## Reviews

### Academic

**[Dartmouth]** Small class sizes, strong in all areas, but particularly in math and sciences. Most teachers have advanced degrees. The school is definitely focused on learning rather than exam performance. AP classes offered.

### College Counseling

**[Dartmouth]** Begin discussing admissions at the end of sophomore year. Counselors are always available-- up to the students to make appointments.

### Admissions Process

**[Dartmouth]** There is a test and interview along with a full application with essays. The school is K-12, so no direct feeder schools, but a lot of kids from Lamp Lighter enter in the 5th grade.

### Extra-Curricular Activities

**[Dartmouth]** There are a wide range of clubs and activities.

### Quality of School Life

**[Dartmouth]** Students live all over Dallas, so some have long commutes. The neighborhood is very nice: Preston Hollow is one of the nicest areas in Dallas. The students are predominantly upper class, but there is a decent financial aid program, and racial diversity is on the rise.
