## Reviews

### Academic

**[Harvard]** Class sizes are small, faculty is somewhat accessible, workload is tough but manageable. The student body is very competitive. Sciences are the school's strong point.

### College Counseling

**[Harvard]** Begin college counseling sophomore year. Advisors are helpful, but there is more help from the current students and alumni.

### Admissions Process

**[Harvard]** The interview may or may not weigh heavily on your selection, depending on the interviewer. Parent involvement in the admissions process will probably not help the student's chances.

### Extra-Curricular Activities

**[Harvard]** Extracurricular activities are important.

### Quality of School Life

**[Harvard]** Located in Boston. Off campus activities in Boston occasionally. Dining is decent.
